

"Our culture guides young men to transform from a follower at home to incredible leaders in the World"

Atlantis Leadership Academy

We're a structured Boarding School with a focused atmosphere of **Accountability, Personal Health, Hard Work, Service to Others** and above all, **Leadership**.

ACCOUNTABILITY - LEADERSHIP - FAMILY HEALING

* Three promises you can always count on from us:

1. Your son will always be treated with respect and dignity at all times.
2. Your son will be held accountable and learn to become an integrity-centered leader.
3. Built into the culture of our School, every situation has an opportunity to learn and advance his character.

* Your son will learn the value of setting and achieving goals, as he routinely sets his SMART goals. At days end, he'll review and self-evaluate, and also receive feedback, support and encouragement from fellow Students and Staff.

* Academics provided by Forest Trail Academy, a top ranked, fully accredited USA online high school. (www.foresttrailacademy.com)

* Our Students get fit and eat healthy. They will be physically active and their diets of pizzas and junk food will be replaced with organic, locally grown fresh fruits and veggies, and proteins like locally caught fresh fish.

* Our Campus is a 'home-style' atmosphere, whose core strength is the Positive Peer support built via the bonds of 'brotherhood' and a strong camaraderie.

* Your son will have ample opportunities for community service, mentorship, and leadership development.

* We go above and beyond making sure families are consistently connected to daily events and what's going on in the boy's routines and activities with photos and videos on our Facebook page. <https://www.facebook.com/atlantisjamaica>

~ Message from the Director ~

Welcome. If you're a parent who's been scouring the Internet in search of a Boarding School for your son that's affordable, unique and doesn't provide a one-size-fits-all approach, you've found it.

Over the past twenty years, I've gone from an enrolled student, to Employee, Administrator, Entrepreneur, and now CEO/Director of Atlantis Leadership Academy.

I know Leadership because I live it. I would love to share my insight, experience and help your son re-align with his true self.
